Fairfield High School Examinations Policy

Exam Series and Timetables

Exam Series

- Internal exams are scheduled in November and March for Year 11, and June for Year 10. These are held under external exam conditions.
- External exams are held in May and June.
- External BTEC exams are held in January, May and June.
- The Head of Centre, HOFs and faculty teachers decide which exam series are used in the centre.
- On-demand assessments can be scheduled only in windows agreed between the Exams Officer and Senior Leadership team.

Timetable

Once all exam dates are confirmed, the exams officer will circulate the exam timetable for external exams.

Entries, Entry Details and Late Entries

- Students are selected for each exam series by faculty teachers and HoFs.
- Students or parents/carers can request a faculty entry, change of level or withdrawal. The final decision however rests with the Head of Centre and may have cost implications for parents/carers.
- The centre does not act as an exam centre for any other organisations.
- The centre will accept entries from private students under exceptional circumstances.
- Entry deadlines are circulated to HoFs via email and pigeon holes.
- The Head of Centre must sign off all late exam entries, tier changes and withdrawals once the appropriate deadline has passed.

Exams Fees

- Exam entry fees are paid by the centre.
- Students will not be charged for entries, changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made before the exam board deadlines. If late changes are as a direct request from parents or carers, any fees generated after official exam board deadlines may be charged to parents/carers.
- Fee reimbursements may be sought from students who decide to sit an exam after the late entry/withdrawal deadline, fail to sit an exam or do not meet the necessary controlled assessment/coursework requirements without medical evidence or evidence of other mitigating circumstances.
- External candidates will be charged for their own fees plus any extra invigilation charges

Fairfield High School Examinations Policy

Disability Discrimination Act

- All exam centre staff will ensure that they meet the disability provisions under the [Disability Discrimination Act 1995 \(DDA\)](#), extended in 2005, and the Disability Equality Duty (DED), introduced in 2006.
- The DDA introduced measures aimed at eliminating the discrimination often faced by disabled people. The main provisions of the Act give protection to disabled people in the areas of employment and education.
- A person has a disability for the purposes of the DDA if s/he has a physical or mental impairment that has a substantial and long term adverse effect on her/his ability to carry out normal day to day activities.
- The centre will meet the requirements of the DDA by ensuring that the exam centre is accessible and improving candidate experience. This is the responsibility of the Head of Centre, Heads of Faculty, Exams Officer and SENCo.

Access Arrangements

- SENCo will inform faculty teachers of students with special educational needs who are embarking on a course leading to an exam and the date of that exam. SENCo can then inform individual staff of any special arrangements that individual students can be granted during the course and in the exam.
- Any arrangements made must reflect the students' normal way of working within the centre. * See ***Criteria for the award and allocation of Word Processors for exams*** below.
- A candidate's access arrangement requirement is determined by a qualified specialist assessor, as
- appointed by the Head of Centre or SENCo. * See ***Criteria for the award and allocation of Word Processors for exams*** below.
- Making access arrangements for students to take exams/controlled assessments is the responsibility of the Exams Officer.
- Submitting completed access arrangement applications to the awarding bodies is the responsibility of the SENCo.
- Providing evidence and completing Form 8 in support of an access arrangement application is the responsibility of the SENCo.
- Rooming for access arrangement students will be arranged by the Exams Officer and SENCo informed.
- Invigilation for access arrangement students will be organised by the Exams Officer.
- Support for access arrangement students will be organised by SENCo and Exams Officer.

Criteria for the award and allocation of Word Processors for exams:

- JCQ regulations state that the use of a word processor in exams must reflect the student's normal way of working i.e. they regularly use it in lessons.

Fairfield High School Examinations Policy

- It is not permissible therefore to grant the use of a word processor to students simply because they would prefer to type rather than write, or because they can work faster on a keyboard or because they use a laptop at home.

Examples of the types of students for whom using a word processor could be considered are those with:

- a learning difficulty which has a substantial and long term adverse effect on their ability to write legibly;
- a medical condition;
- a physical disability;
- a sensory impairment;
- planning and organisational problems when writing by hand;
- poor handwriting.

This list is not exhaustive.

Below are some examples provided by JCQ where award of a word processor to use in exams would be permitted and with what, if any, caveats:

- A candidate who cannot write legibly because she has significant learning difficulties asks to use a word processor in her examinations. It is her normal means of producing written work within the centre because her teachers cannot read her writing. She is very proficient in using a word processor. The SENCo allows her to use a word processor in her examinations.
- A candidate does not have a learning difficulty but is a 'messy' writer. His handwriting is hard to decipher. He requests the use of a word processor. This is granted by the SENCo because it reflects his normal way of working within the centre.
- A candidate wishes to use a word processor since this is her normal way of working within the centre. However, the candidate additionally wishes to use the spelling and grammar check facility. Given that she does not meet the published criteria for a scribe, the candidate cannot use the spelling and grammar check facility. The SENCo allows her to use a word processor in line with the regulations as set out by JCQ.
- A candidate taking a GCSE Computer Science paper wishes to use a word processor with the spelling and grammar check facility enabled. However, the paper is testing his ability to proof read a document. The SENCo refuses the use of the spelling and grammar check facility. He uses the word processor with the spelling and grammar check disabled (switched off).
- A candidate who has significant learning difficulties has quite legible writing. However, he makes many omissions and cannot order his ideas correctly. His written scripts are legible but covered in crossings-out and omission marks. He requests a word processor and this is granted by the SENCo. The use of a word processor allows him to correct text, sequence his answers and reflects his normal way of working within the centre.

Word processor and extra time:

- A candidate has a below average free writing speed when handwriting and qualifies for 25% extra time. However, using a word processor is her normal way of working within the centre. When typing she can produce her written work effectively and at a speed equivalent to an average handwriting rate. She has no further learning difficulties. The SENCo awards the use of a word

Fairfield High School Examinations Policy

processor as it removes the barrier presented by her slow handwriting, and only awards 25% extra time when she writes by hand such as in GCSE Mathematics examinations.

- A candidate with significant learning difficulties has a below average speed of handwriting and below average scores in areas of cognitive processing and reading speed. As using a word processor is his normal way of working within the centre he has been able to improve his typing speed to match the equivalent average handwriting rate. However, he has persistent and significant difficulties in interpreting questions and formulating his typed answers. He is given 25% extra time, as well as the use of a word processor, as both arrangements are appropriate to his needs.

Contingency Planning

- Contingency planning for exams administration is the responsibility of the Head of Centre and a copy of the contingency plan can be found attached to this exams policy.

Fairfield High School Examinations Policy

Managing Invigilators

- Invigilators recruited by Fairfield High School are used to invigilate examinations.
- These invigilators will be used for external exams.
- Recruitment of invigilators is the responsibility of the Exams Officer.
- Securing the necessary Disclosure and Barring Service (DBS) clearance for new invigilators is the responsibility of the Exams Officer who liaises with the Deputy Head.
- DBS fees for securing such clearance are paid by the school.
- Invigilators are timetabled, trained and briefed by the Exams Officer.

Malpractice

- The Head of Centre is responsible for investigating suspected malpractice.
- Suspected malpractice will be reported to the awarding body by the Exams Officer.

Exam Days

- The Exams Officer will book all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the invigilator.
- Coloured scripts will be photocopied by office staff 30 minutes before the exam begins.
- Each room will be furnished with a box of all possible required stationery, including but not limited to: black pens, pencils, rulers, rubbers, protractors, calculators, extra exam booklets for different exam boards and desk wedges.
- Site management is responsible for setting up the allocated rooms with desks, chairs and spacing according to JCQ requirements .
- The Lead Invigilator/Exams Officer/ member of SLT will start the exams in accordance with JCQ guidelines.
- SLT, HoFs or their designated representatives may be present at the start of the exam to assist with identification of students and be a reassuring presence; they may choose to read out the rubric to students instead of the invigilator, but must not otherwise coach students.
- In practical exams, faculty teachers may be on hand in case of any technical difficulties.
- Exam papers must not be read by faculty staff or removed from the exam room before the end of a session.
- Papers will be distributed to Heads of Faculty when all scripts have been collected and secured by the Exams Officer.
- All staff must adhere to the JCQ regulations at all times

Students

- The centre's published rules on acceptable dress, behaviour and students' use of mobile phones/ Smart watches and other electronic devices applies at all times.
- Students' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.
- Disruptive students will be dealt with by SLT on an individual basis who will keep the exam secure at all times.
- Students are expected to stay for the full exam time. Students with Extra Time may choose to leave at the standard finishing time or else remain for all of their Extra Time.

Fairfield High School Examinations Policy

- Students may only leave the room for a genuine purpose (e.g. illness) and are required, where possible, to return immediately to the exam room. They must be accompanied by a member of staff at all times. Toilet breaks are only permitted if the candidate has an up to date medical note or else where the lead invigilator considers it to be an exceptional circumstance. Students should be accompanied by an invigilator/support staff, preferably of the same gender, to a single toilet block, for example as available in the Nigel Davies Wing.
- The Exams Officer is responsible for handling late or absent students on exam day in liaison with SLT and Learning Support Managers.
- For clash students, the supervision of escorts, identifying a secure venue and arranging overnight supervision is the responsibility of the Exams Officer.
- Should a candidate be ill before an exam, suffer bereavement or other trauma, be taken ill during the exam itself or otherwise disadvantaged or disturbed during an exam, then it is the candidate's responsibility to alert the centre, the Exams Officer or the invigilator to that effect.
- The candidate must support any special consideration claim with appropriate evidence within three days of the exam, for example, by providing a letter from the candidate's doctor. The Exams Officer will then forward a completed special consideration form to the relevant awarding body before the published deadline.

Controlled/Internal/Non-examination Assessments

It is the duty of Heads of Faculty to ensure that all internal assessment is ready for dispatch at the correct time. The exams officer will assist by keeping a record of each dispatch, including the recipient details and the date sent.

See separate **Non Exam Assessment Policy** for full details of:

- procedures for planning and managing non-examination assessments
- staff roles and responsibilities with respect to non-examination assessments
- managed risks associated with non-examination assessments

Results

Results

- Arrangements for the centre to be open on results day are made by the Head of Centre/ Exams Officer.
- The provision of staff on results days is the responsibility of the Head of Centre.
- Results can only be given to students in person, not over the phone or via email unless this has been arranged in advance and the email address or phone number have been verified.
- A letter signed by the student giving someone else permission to collect the results on their behalf is, however, acceptable.

Review of Results (RoRs –formerly EARs)

See also **External Examinations Appeal Policy***

- Students will receive notification of RoRs if the Senior Leadership Team think there are sufficient grounds for appeal
- The candidate's consent will be obtained in writing before any RoR is requested.
- RoRs may be requested by centre staff or students if there are reasonable grounds for believing there has been an error in marking.
- RoRs may be requested if a candidate is 3 marks maximum away from the next grade boundary up.
- If a result is queried, the Exams Officer, Teaching Staff and Head of Centre will investigate the feasibility of asking for a re-mark at the centre's expense.
- When the centre does not support a candidate or parent's request for an RoR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of faculty staff, they will be charged the full amount which must be paid before the appeal is submitted.
- A formal appeals procedure as laid down by JCQ and individual exam boards will be followed if there is still dissatisfaction after receiving the outcome of an enquiry about results.*

Fairfield High School Examinations Policy

Access to Scripts

- After the release of results, students may ask faculty staff to request copies of scripts the return of papers within three days' scrutiny of the results.
- Centre staff may also request copies of scripts for investigation or for teaching purposes.
- Centres will be able to request copies of scripts before deciding whether to request a review of marking

Certificates

- Copies of Certificates are made and kept in students' files for record purposes.
- Certificates are presented in person at Presentation Evening in November or else sent home by Recorded Delivery after that time.
- The exam boards will make a charge of £40-50 per certificate if duplicates are requested so students are advised to look after them carefully.

EMERGENCY EVACUATION OF THE EXAM ROOM

In an emergency such as a fire alarm or bomb alert, the invigilator **must** take the following action:

Tell candidates to:

- Stop writing
- Close your answer booklet and leave all question papers and scripts in the exam room
- Leave the room in silence in the order the senior invigilator releases you and make your way to the MUGA.

Invigilators must:

- Collect the attendance register and seating plan and evacuate the exam room.
- Note the time of interruption and how long it lasted.
- Ensure candidates are supervised as closely as possible while they are out of the exam room so that there is no discussion about the exam.
- When exam resumes allow candidates the remainder of the working time.
- Make a full report of the incident and of the action taken for sending to the awarding body.
