

15<sup>th</sup> May 2023

Dear Parent/Carers,

**Year 8: Geography fieldwork trip, Brecon Beacons 9<sup>th</sup> June 2023**

Fieldwork is an integral part of Geography and therefore we want to take all Y8 students on a field trip to the Brecon Beacons National Park. This trip will support the 'National Parks' scheme of work. At the Brecon Beacons Visitor Centre, the Park Warden will teach students about management strategies and conservation of the area and then we will go into Brecon town to assess the impact of tourism.

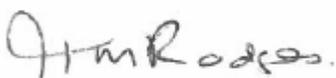

**All** students should arrive at school for their normal start time, and we will return to school in time to catch the buses. They should wear **layers** of suitable **warm** casual clothes and must bring a **waterproof coat**, regardless of the weather. They **must** have **sensible footwear** with a good grip. If the weather is forecasted to be warm we will expect students to bring a sun hat and sun cream.

- All students will need to bring with them a packed lunch and suitable amount of drink for the day. Students in receipt of free school meals will be provided with lunch.
- Students will need **pens, pencils and a clipboard** (if they have one), and a **plastic bag** to protect their work in the case of rain. Students may bring a **camera** if they wish (at their own risk) to supplement their project work with photographs from the day which can be annotated in their analysis.

**Although the trip is already heavily subsidised by the school, we still need to ask for a voluntary contribution of £10 from each student which can be paid on ParentPay by Wednesday 7<sup>th</sup> June. Students in receipt of Free School Meals do NOT need to pay.**

Please **fill in, sign and return** the reply slip form to Mrs Rodgers by Wednesday 24<sup>th</sup> May 2023.

Yours faithfully

Mrs H M Rodgers  
Head of Humanities

**Year 8 Geography Fieldwork Trip Brecon Beacons National Park 9th June 2023**

Student's Name.....Form.....

I do/do not give my permission for my child to attend the Geography fieldtrip to Brecon Beacons National Park.

Emergency contact name, relationship to child and phone number for 9th June 2023

1. Emergency contact name and phone number

2. Emergency contact name and phone number

Any relevant medical details.....

**Please return to your Geography teacher by May 24<sup>th</sup> 2023.**
