2nd October 2023

Dear Parents/ Carers

Google Classroom and Online Conduct Parent Session on Google Meet

I would like to invite you to a meeting regarding the use of Google Classroom and students' online conduct on Monday 9th October at 5.30pm. **The meeting will be held online using Google Meet and instructions on how to join the meeting are included in this letter.**

Google Classroom is the application we use to communicate with parents, carers and students about assignments and what learning is going on in the classroom and at home.

The meeting will also focus on how online conduct should be carried out by young people so that all can enjoy their time online and will look at how the impact of poor online behaviour can affect children at home and in school, including examples and statistics emphasising the impact of poor online conduct.

We also deliver this message within the curriculum in Computer Science during the Autumn term. We are holding this meeting now, at a time when your children will be becoming more aware of different apps and software available to communicate with each other but also as we have seen a rise in some unpleasant content being exchanged online that is starting to cause issue amongst peer groups.

I hope you can join me.

Yours faithfully

Mr Waterhouse
Assistant Head

Joining instructions: <https://meet.google.com/bjs-mnxz-kbg>

Ask your child to sign in using their username and password for Google (the format for their username will be 23swaterhouse@gvsc.org.uk)

Please turn cameras and audio off.
