24th October 2023

Dear Parents/Carers,

Year 11 January Vocational Exam Timetable

Please find below the dates for the Animal Care, Construction, I-Media and Sport external vocational examinations that will take place early next year. Please can you ensure your son/daughter is in school on the dates of the exams they are studying, and that any routine medical and dental appointments are re-scheduled.

Subject	Exam Date	Exam Time
Animal Care	16 th January 2024	1pm
Construction	18 th January 2024	1pm
Sport	9 th January	9am

It is very important that your son/daughter prepares fully for these exams. Your child will be sitting an internal examination in November, where they will be tested on the entire course content delivered. Following the exams, staff will analyse the papers and revisit any topics that need addressing; however, staff will not be able to revise the entire unit content and your son/daughter must be sure to complete some independent revision in preparation for the exams.

Revision books and resources will be provided by each subject teacher, with further resources posted on respective subject Google Classroom pages.

If you would like to discuss your sons/daughter progress or the external examinations further, please contact me on olloyd@gvsc.org.uk

Yours sincerely,

Mr Lloyd
Assistant Head
